Celebrate Waterfalls and Wildflowers at Tenaya Lodge at Yosemite

Spring brings warmer weather and an abundance of outdoor activities to Yosemite

FISH CAMP, Calif. (March 15, 2010) As the weather begins to warm and the snow begins to melt, Yosemite and the surrounding areas come to life with an abundance of awe-inspiring wildflowers and waterfalls. Rolling hills of California Poppies, Redbuds and several other species of flowers can be found on hikes and drives throughout the area. Visitors can also gaze at the sight of the flowing water as it drops rapidly over the steep cliffs.

To experience these magnificent waterfalls, guests must visit the area after the peak runoff begins in April and before the summer heat of leaves the waterfalls dry. Those wishing to experience the assortment of wildflowers must take advantage of the much shorter viewing window, as the flowers are only in bloom from late February to May.

Tenaya Lodge at Yosemite offers the perfect getaway for your family to enjoy. Come join Tenaya Lodge in the High Sierra for an Easter full of family-friendly activities like Easter egg hunts, egg decorating workshops, a live petting zoo and more. Then head into the Yosemite National Park for a day of outdoor activities, all framed by the spectacular natural beauty of Yosemite in spring.

To aid in planning a family spring vacation Tenaya Lodge offers several great packages to choose from:

- **Yosemite Park Pass Package:** Visitors can explore all of the wonders of Yosemite at their own pace. The pass include nightly accommodations in a deluxe room and a one-week Yosemite National Park Pass
- **Family Movie Night Package:** Guest and their family can unwind after an adventurous day in Yosemite with a complimentary in-room movie, theater-style amenity— complete with popcorn, candy treats and soft drinks and two Sierra Restaurant pizzas to share delivered via room service.
